

Bus service alteration on Saturday 4 February 2012

Bus services in the city will be affected by planned demonstrations by the English Defence League (EDL) and Unite Against Fascism (UAF), from 12.15pm. We anticipate that changes to the services will last around two hours. Some coach services departing from St Margaret's bus station may also be delayed.

Park and Ride services will continue to operate, but the routes will be diverted during this period and buses will only stop at St Nicholas Place.

Buses will leave from the following, alternative places from 12.15pm until the demonstrations have ended, when normal services will be resumed.
